

IMMEDIATELY HIRING COMMUNITY OUTREACH WORKERS

Hawai'i Public Health Institute is immediately hiring 2-3 temporary full time and part-time community outreach workers to assist with COVID-19 vaccine equity coordination and outreach in Captain Cook and Hōnaunau area on Hawai'i Island. Employment will be from August through November 2021. Employees that work 20 hours per week or more are eligible for health insurance. There are also opportunities for stipends for assistance on the weekends.

QUALIFICATIONS:

- Minimum requirement of high school diploma or GED.
- Experience working within targeted communities and Native Hawaiian, Pacific Islander, and Filipino populations.
- Preferably lives in specific geographic locations listed above.
- Bilingual (preferred).
